

HALE'S WEE HEAVY WINTER ALE

Style: Strong Ale

Taste: Mahogany in color, rich and mouth-filling, the warm flavors of this winter ale are a hearty match for the cold weather season.

“Wee Heavy” is a traditional Scottish term for a strong ale. Hale’s Wee Heavy was first brewed in the winter of 1985, as our first “seasonal” ale.

Ingredients: Pale, Crystal & Black Malts, Cascade, Cluster & Mount Hood hops.

Original Gravity: 1.070
