

HALE'S ALE'S BREWERY

"WEE HEAVY" WINTER ALE

Style: Traditional Strong Ale

Taste: Mahogany in color, rich and mouthfilling, the warm flavors of this winter ale are a hearty match for the cold weather season.

History: Hale's Wee Heavy was brewed as the brewery's first "Seasonal" beer in the winter of 1985. The term "Wee Heavy" is a traditional Scottish name for a strong ale.

Ingredients: Pale, Crystal, Munich, Wheat, Special B., & Cherrywood Smoked malts. Delta hops for bittering, Apollo for aroma and finish.

Original Gravity: 1.070 **I.B.U's:** 50 **A.B.V.:** 7.2%

HALE'S WEE HEAVY won Gold Medals at the 2000 - 2003
United States Beer Tasting Championships
